

CORPORATE SPONSOR

Dengue Kills. Help make your neighborhood Dengue free

www.DengueWatch.com

Global Burden Of Dengue

Over 2.5 billion people – over 40% of the world's population – are now at risk from dengue. WHO currently estimates there may be 50–100 million dengue infections worldwide every year.

World Health Organization Report - March 2014
<http://www.who.int/mediacentre/factsheets/fs117/en/>

DengueWatch invites you as *CSR sponsor* to promote and create awareness as regards the dangers of Dengue and its eradication.

HEALTH CONSUMER

The health consumer is invited to free join with email and mobile contact @ www.DengueWatch.com for online notifications of new Dengue cases reported¹ in their neighbourhood or workplace that preventive measures be taken in protecting loved ones and work colleagues. DengueWatch users may also report known new cases online; shared on social media.

CORPORATE SPONSOR

Each time a new Dengue case is reported matching the filter criteria set by the health consumer, an email and/or SMS **Dengue Alert** is sent along with an accompanying acknowledgement of the **Sponsor's CSR** - Corporate Social Responsibility, societal role and contribution.

For additional information, email contact: CSR@DengueWatch.com
